The Greek philosopher and scholar Aristotle is the first great representative of the constructive school of thought. His Poetics (the surviving fragment of which is limited to an analysis of tragedy and epic poetry) has sometimes been dismissed as a recipe book for the writing of potboilers. Certainly, Aristotle is primarily interested in the theoretical construction of tragedy, much as an architect might analyze the construction of a temple, but he is not exclusively objective and matter of ...

Literature - Literary composition | Britannica

The term "poetics" is traditionally used for literary theory, but its meanings stretch broader than just [an approach to genre or lyrical technique.] Captive Genders is both a political and literary text, and the one does not exclude the other.

The Poetics of Liberation

In unmaking and making a world, the poetics of this volume attempt a series of formal and linguistic experiments with political stakes. By "experiments" we mean projects that attempt a continual and creative rediscovery of their own arrangement, language, composition, and collaboration in order to stage a confrontation with a determinate moment.
