-- Best-selling PageMaker guide, now updated for both the Macintosh andWindows platforms. -- PageMaker continues to draw a loyal customer base; users will be looking for documentation to learn all the new features of version 7. -- Visual, task-based reference provides quality PageMaker instruction at an affordable price. The recently-released Adobe PageMaker 7 includes a number of new features that help users easily produce professional-quality business communications for print, press, and the Web. Users can now merge text and graphics stored originally in spreadsheets or databases to create custom publications, including form letters, mailing labels, envelopes, catalogs, or direct mail campaigns. And PageMaker can now create Adobe PDF files, open QuarkXPress documents, and import and export text files and graphics from key business apps like Microsoft Office. Both new and veteran PageMaker users will find lots to learn in PageMaker 7 for Windows and Macintosh: Visual QuickStart Guide. Even if you've never "designed" anything more complicated than a business letter, you'll soon be creating newsletters, brochures, print ads, and more, thanks to this book's clear, step-by-step explanations and hundreds of illustrations. Design tips sprinkled throughout the pages will help you turn out polished work, whether you need to pull together a flyer for the company picnic or produce a complete corporate identity logo for your small business.

This thorough, self-paced guide to Adobe InDesign CS3 is ideal for beginning users who want to master the key features of this program, while readers who already have some experience with InDesign can use this book to familiarize themselves with InDesign CS3's newest features. Using step-by-step, project-based lessons, each chapter contains a project that builds upon the reader's growing knowledge of the program, while review questions at the end of each chapter reinforce the most important skills learned in each lesson. The companion CD contains all the assets readers will need to work through each project in the book. Adobe InDesign CS3, Adobe's page layout and design software, has been updated to accelerate user productivity with loads of new features: new Photoshop effects--including gradient feathering, inner shadows, and glows--that you can apply to objects on a page; finer transparency controls, which let you apply transparency settings independently to an object's fill, stroke, and content for more complex visual looks; numerous productivity enhancements; advanced find/change features; new table and cell styles; export to XHTML, and more. Educational instructor notes--created to help teachers plan, organize, and time their lessons--are available for this book (and for other Classroom in a Book titles) at www.peachpit.com/instructorresources. SPECIAL NOTE: Before starting the lessons in the book, visit www.peachpit.com/indesigncs3cb for important lesson and project file updates.
