What Makes Aged Insurance Leads Any Better? Internet generated aged insurance leads 3 to 90 days old and 91 to 365 days old are better than the real time leads because: 1. Lower price per lead. You can get them for pennies on the dollar. 2. You have lower client acquisition cost per lead 3. The majority of agents who buy real time leads typically do not bother following up with the lead after the first week, so

The biggest value of aged life insurance leads is building your follow ups...or what we refer to as your database of prospects. A lot of agents determine a good lead source by how many new clients they get immediately. You will get new clients and “one call closes”, but the biggest value of aged leads is all the follow ups you’re setting.

Aged insurance leads are a low-cost alternative to real-time leads but they are 30, 60 or even 90 days old and a predictive dialer will save you time by screening out busy signals, no-answer, answering machines and disconnected numbers automatically. This keeps insurance agents talking to real people and focused on selling. As with real-time leads, aged leads require a system. We’ve detailed our “Three S” systems before but here’s a quick run-through: Set 15 appointments; Sit with 10 ...
