“The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.” —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan’s beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

In his latest graphic novel, *Dragon Hoops*, New York Times bestselling author Gene Luen Yang turns the spotlight on his life, his family, and the high school where he teaches. Gene understands stories—comic book stories, in particular. Big action. Bigger thrills. And the hero always wins. But Gene doesn't get sports. As a kid, his friends called him “Stick” and every basketball game he played ended in pain. He lost interest in basketball long ago, but at the high school where he now teaches, it's all anyone can talk about. The men's varsity team, the Dragons, is having a phenomenal season that's been decades in the making. Each victory brings them closer to their ultimate goal: the California State Championships. Once Gene gets to know these young all-stars, he realizes that their story is just as thrilling as anything he's seen on a comic book page. He knows he has to follow this epic to its end. What he doesn't know yet is that this season is not only going to change the Dragons's lives, but his own life as well.
