The AQA GCSE maths specification is made up of all the key topics within the mathematics curriculum. The examination is terminal and is made up of three test papers that each student must sit. There are two tiers, foundation and higher. The foundation tier enables students to achieve up to a level 5. The higher tier enables students to achieve a level 4-9.

A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications. Written for the AQA GCSE Mathematics Foundation tier specification for first teaching from 2015, our Homework Book is an ideal companion to the AQA Foundation tier Student Book and can be used as a standalone resource. With exercises that correspond to each section of the Student Book, it offers a wealth of additional questions for practice and consolidation. Our Homework Books contain a breadth and depth of questions covering a variety of skills, including problem-solving and mathematical reasoning, as well as extensive drill questions. Answers to all questions are available free on the Cambridge University Press UK Schools website.

A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications. Approved by AQA and created specifically for the GCSE Mathematics Foundation tier specification for first teaching from 2015, this Student Book covers the new GCSE Mathematics qualification. With a strong focus on developing problem-solving skills, reasoning and fluency, it helps students understand concepts, apply techniques, solve problems, reason, interpret and communicate mathematically. Written by experienced teachers, it also includes a solid breadth and depth of quality questions set in a variety of contexts. GCSE Mathematics Online - an enhanced digital resource incorporating progression tracking - is also available, as well as Problem-solving Books, Homework Books and a free Teacher's Resource.

GCSE Mathematics has changed from three-tiers to two - Higher and Foundation. This series of resources has been designed to give students chances to succeed in the Linear and Modular AQA GCSE Mathematics specifications. They are clearly organised, and each chapter provides examples with explanatory notes.

AQA GCSE Maths, Foundation Student Book has been created by experts to help deliver exam success in AQA's new Maths GCSE (8300). Written for foundation tier students, the book focusses on developing students' fluency in key mathematical skills and problem solving using carefully chosen examples and extensive practice.

This 4th edition of Collins GCSE Maths has been fully revised and updated for the 215 GCSE specifications. The new edition of this well-established text has a new focus on mathematical reasoning and problem solving. The course coverage ensures that you will have the confidence to tackle the new curriculum and succeed.
