The information inside of this book is vital for the lives of people of color. This book only serves as the first step in our life-long journey of self-REdiscovery. Knowledge of self is priceless.

"As GMTV anchor, I interview hundreds of people every year. However well they interview, every single person would find it easier to explain their case by following these simple principles." EAMONN HOLMES, GMTV Presenter "[Drop the Pink Elephant]...tackle[s] every aspect of personal communication in a crisp, entertaining style." THE PLAIN ENGLISH SOCIETY "There can be no whitewash at the White House." (Richard Nixon). These nine words turned the American nation against their President. Why? Because people hadn't linked the White House with a cover up until Nixon himself made the connection. His own denial created the story. It is perhaps the most famous Pink Elephant in history. But what exactly is a 'Pink Elephant'? Pink Elephants are the unnecessary negatives that clutter your conversation and meaning, sending out the wrong signals to anyone you communicate with. In Drop the Pink Elephant, Bill McFarlan reveals how to avoid the deadly trap of allowing poor communication skills to obscure your meaning and reduce your effectiveness. Drop the Pink Elephant is filled with helpful, simple and practical advice on how to make your words count for more. Put

these straightforward lessons into practice and you will notice immediately how much more effectively you are able to communicate with others. Sharpen your conversation by: * FIRST SPOTTING, THEN DROPPING THE PINK ELEPHANT * GETTING RID OF THE JARGON * LEARNING TO SPEAK IN PICTURES * RECOGNISING WHEN YOU SHOULD APOLOGISE OR THANK PEOPLE * CAPTIVATING AN AUDIENCE N.B. No animals were hurt in the making of this book. (Can you spot your first Pink Elephant?)

NEW YORK TIMES BESTSELLER It ' s time for a black exit. Political activist and social media star Candace Owens addresses the many ways that Democrat Party policies hurt, rather than help, the African American community, and why she and many others are turning right. Black Americans have long been shackled to the Democrats. Seeing no viable alternative, they have watched liberal politicians take the black vote for granted without pledging anything in return. In *Blackout*, Owens argues that this automatic allegiance is both illogical and unearned. She contends that the Democrat Party has a long history of racism and exposes the ideals that hinder the black community ' s ability to rise above poverty, live independent and successful lives, and be an active part of the American Dream. Instead, Owens offers up a different ideology by issuing a challenge: It ' s time for a major black exodus. From dependency, from victimhood, from miseducation—and the Democrat Party, which perpetuates all three. Owens explains that government assistance is a double-edged sword, that the Left dismisses the faith so important to the black community, that Democrat permissiveness toward abortion disproportionately affects black babies, that the #MeToo movement hurts black men, and much more. Weaving in her personal story, which ushered

Download Free Blackout Through Whitewash

her from a roach-infested low-income apartment to 1600 Pennsylvania Avenue, she demonstrates how she overcame her setbacks and challenges despite the cultural expectation that she should embrace a victim mentality. Well-researched and intelligently argued, *Blackout* lays bare the myth that all black people should vote Democrat—and shows why turning to the right will leave them happier, more successful, and more self-sufficient.

GOOD MORNING AMERICA BUZZ PICK • The Pulitzer Prize–winning playwright and co-writer of *In the Heights* tells her lyrical story of coming of age against the backdrop of an ailing Philadelphia barrio, with her sprawling Puerto Rican family as a collective muse.

LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • “Quiara Alegria Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories.” —Lin-Manuel Miranda, award-winning creator of *Hamilton* and *In the Heights*

Quiara Alegria Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she ’d have to get off the stairs and join the dance. She ’d have to find her language. Weaving together Hudes ’s love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multimythic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture

Download Free Blackout Through Whitewash

the world she loved in all its wild and delicate beauty.

The final volume of the trilogy chronicles the Allied victory in Western Europe, from the brutal struggles in Normandy and at the Battle of the Bulge to the freeing of Paris, as experienced by participants from every level of the military.

Rewriting the “ origin stories ” of the Anthropocene No geology is neutral, writes Kathryn Yusoff. Tracing the color line of the Anthropocene, *A Billion Black Anthropocenes or None* examines how the grammar of geology is foundational to establishing the extractive economies of subjective life and the earth under colonialism and slavery. Yusoff initiates a transdisciplinary conversation between feminist black theory, geography, and the earth sciences, addressing the politics of the Anthropocene within the context of race, materiality, deep time, and the afterlives of geology. *Forerunners* is a thought-in-process series of breakthrough digital works. Written between fresh ideas and finished books, *Forerunners* draws on scholarly work initiated in notable blogs, social media, conference plenaries, journal articles, and the synergy of academic exchange. This is gray literature publishing: where intense thinking, change, and speculation take place in scholarship.

The classic thriller about a hostile foreign power infiltrating American politics: “ Brilliant . . . wild and exhilarating. ” —*The New Yorker* A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors

Download Free Blackout Through Whitewash

and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors’ signal. Now he’s been returned to the United States with a covert mission: to kill a candidate running for US president . . . This “shocking, tense” and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). “Crammed with suspense.” —Chicago Tribune
“Condon is wickedly skillful.” —Time

A collection of nine revisionist essays edited by American historian and writer Harry Elmer Barnes, originally published in 1953, this intriguing volume offers a critical survey and appraisal of the development and implementation of American foreign policy of during the Presidency of Franklin D. Roosevelt; the FDR Administration’s deliberate manipulation of events in Europe and Asia to bring the US—against the wishes of the majority of its citizens—into World War II; and its resultant aftermath in the course of world history.

A fresh argument for rioting and looting as our most powerful tools for dismantling white supremacy Looting--a crowd of people publicly, openly, and directly seizing goods--is one of the more extreme actions that can take place in the midst of social unrest. Even self-identified radicals distance themselves from looters, fearing that violent tactics reflect badly on the broader movement. But Vicky Osterweil argues that stealing goods and destroying property are direct, pragmatic strategies of wealth redistribution and improving life for the working class--not to mention the brazen messages these methods send to the police and the state. All our beliefs about the innate righteousness of property and ownership, Osterweil explains, are

Download Free Blackout Through Whitewash

built on the history of anti-Black, anti-Indigenous oppression. From slave revolts to labor strikes to the modern-day movements for climate change, Black lives, and police abolition, Osterweil makes a convincing case for rioting and looting as weapons that bludgeon the status quo while uplifting the poor and marginalized. *In Defense of Looting* is a history of violent protest sparking social change, a compelling reframing of revolutionary activism, and a practical vision for a dramatically restructured society.
