The Magicians is a grand, glittering fantasy that reinterprets the grand tradition of C.S. Lewis and J.K. Rowling in a brilliant novel for adults. The Magicians was a New York Times bestseller in both hardcover and paperback. It has now been published in more than 25 countries and adapted as an hour-long TV drama on Syfy. Praise for The Magicians:

The Magicians is a new adult fantasy novel by the American author Lev Grossman, published in 2009 by Viking Press. It tells the story of Quentin Coldwater, a young man who discovers and attends a secret college of magic in New York. The novel received critical acclaim and was followed by a sequel, The Magician King, in 2011 and a third novel, The Magician's Land, in 2014. A television series adaptation of the novels premiered on Syfy in 2015. Grossman has also worked on two comic books stories b

The Magician King by Lev Grossman is as good as I wanted the first book in this series to be. The big flaw with The Magicians was that toying with the genre sometimes overshadowed telling the story. That's not the case with this second book. The parameters of Mr. Grossman's magical world are already defined and the genre
