Showcases the computer graphics program's updated features while demonstrating fundamental and advanced Pagemaker concepts and displaying professionally designed projects.

In Understanding the Purpose and Power of Authority, best-selling author Dr. Myles Munroe turns the widely accepted but counterfeit concept of authority upside down. Then, he reveals God ' s original intent, showing us how to live in the freedom of our own personal authority in God ' s great design and to respond positively to the inherent authority of others. Many people view authority as something oppressive, stifling, and even fearful. All of us hate to be controlled or manipulated. Our negative concepts and experiences of authority produce life-draining emotions—fear, distrust, suspicion, friction, defensiveness, antagonism, stress, worry, and dread. Others have a limited perspective of what authority means, believing that only people who reach a certain " level " in life can exercise it. They don ' t believe they could ever be called to a place of authority. The truth is, we were all created for authority, and we are all answerable to the authority of others. Authority is what we ' re authorized to do by our inherent purposes. You have a God-given calling to develop your own personal authority to carry out your unique purpose in life.

Community colleges enroll half of the nation ' s undergraduates. Yet only 40 percent of entrants complete an undergraduate degree in six years. Redesigning America ' s Community Colleges explains how two-year colleges can increase their students ' success rate quickly and at less cost, through a program of guided pathways to completion.

Jarvis Langton is an unborn-again Christian living on the fringe. He's not big on life and has tried to finish his own twice. Still, most mornings, he quite likes to sun himself at Sydney's Royal Botanic Gardens. One morning he notices something winking at him from a nearby bush. When he investigates he finds the dead body of his friend, Lady; a Thai transvestite. Jarvis is not someone with his thoughts lined up in any reasonable order. It takes him a while to work out Lady must have been murdered. It takes him longer to decide he's going to find her killer - but once he does, the premonition that finding Lady's murderer will bring him his own end, happens in an instant. "Parable of the Forgotten is a first class, no rest-stop, brilliant, whirly gig!" Dr She Mackenzie Hawke, University Of Sydney.

Operating the mechanical aspects of a pool or aquatic facility is a complex job that requires specialized knowledge and skills. As a pool or aquatic facility operator, you strive to maintain an inviting and clean facility that you can be proud of and that your patrons can enjoy. AquaTech: Best Practices for Pool and Aquatic Facility Operators provides easy-to-understand explanations of the key elements of pool care to give you the practical knowledge to handle both day-to-day operations and troubleshooting situations. AquaTech gives you the confidence and knowledge to dive into your job operating a pool, spa, water park, or spray park. Whether you're maintaining the pool plant systems, taking steps to reduce risk and increase safety, or tracking the condition of the pool water.

Learn the secrets of effective communication from the most popular book in the world for teaching conversation skills — almost one million copies sold! Fully updated for the 2020s, Conversationally Speaking provides proven communication strategies, based on hundreds of research studies, as well as the authors' own experience teaching conversation workshops. Now you can use this expertise to get more out of your everyday interactions with family, friends, and coworkers. Everybody thinks that some people are born with the "gift of gab" and some people aren't. But the truth is there is no "gift of gab." People who are good at conversation just know a few simple skills that anyone can learn. This book will teach you those skills. With Conversationally Speaking, you will learn how to: Ask the kind of questions that promote conversation Interest people in what you have to say Achieve deeper levels of understanding and intimacy Handle criticism constructively Overcome shyness and become more confident Listen so others will be encouraged to talk to you Find out why Toastmaster Magazine calls Conversationally Speaking "the classic how-to book in social communication" and why Dr. Aaron Beck, whose work has had a major influence on thousands of psychologists, calls it "of great value for people who want to sharpen their skills in interpersonal relations."

Alive After the Fall - How to Survive an EMP/HEMP Attack on the Power GridThis guide is a complete program that gives you not only great strategies to survive catastrophes, nuclear and chemical attacks.But also, to help you be a step ahead of the global enemy, understand political and social signs, and never be caught off-guard.
