Another pandemic-inspired reread was William S. Burroughs ' s Cities of the Red Night, which I hadn ' t picked up since high school and read this time for the novelty of the viral plague. Hindsight says that my giddy anticipation at rereading this " prescient " book was unnecessary, but it seemed like a good enough excuse to read Burroughs.

[The Millions: Cities of the Red Night by William Burroughs](#)

Perhaps Burroughs' finest novel after Naked Lunch, Cities of the Red Night intercuts a detective novel plot with scenes in the ill-fated pirate colony of Captain Mission on Madagascar with acerbic wit and visionary imagery. The proof bears on its cover and title page a darkly ironic subtitle, "A Boy's Book", not present in the published book.

"Cities of the Red Night" is perpetually climaxing. Whereas, for other authors, it might prove a diverting or comical (unwritten) pastime to imagine what it might be like if all of their characters--from every time and space--were to meet over drinks, Burroughs can't seem to resist transporting his entire cast into hallucinatory, ritualistic ...

CITIES OF THE RED NIGHT by William S. Burroughs RELEASE DATE: May 6, 2001 As long as the Beat Generation continues to engage self-styled hipsters, counter-culturalists, and transgressors, the work of the late Burroughs (1914 – 97) will continue to waste precious wood pulp.

[CITIES OF THE RED NIGHT | Kirkus Reviews](#)

One narrative revolves around the clairvoyant detective Clem Snide and his search for the missing person named Jerry Green, another consists of an adventurer named Noah Blake and his journey enlisting with a group of pirates who seek to unite the world under a code of law established by the disputed historical figure Captain Mission called The Articles, and the final narrative follows an ancient and futuristic group of cities (the titular 'cities' of the red night) in what is now the Gobi ...

[Amazon.com: Customer reviews: Cities of the Red Night](#)

Burroughs' "Cities of the Red Night" is a feverish glimpse into alternate histories, the end of the world, new forms of government, viral mutations, bizarre slants on ethnicity and the to-be-expected preoccupation with hard drugs and wild sex. Prose style gyrates from first-person hard-boiled sleuth to all-too-believable boardroom monotone.

This first volume of the final #Burroughs trilogy, "Red Night" has captured me firmly in its grasp. The weaving of several simultaneous threads which the reader must unravel in "Cities of the Red Night," illustrates and embodies the instructions given by the author on constructing a virus in "Electronic Revolution."

[Cities of the Red Night by William S. Burroughs...](#)

The Cities of the Red Night were six in number: Tamaghis, Ba ' dan, Yass-Waddah, Waghdas, Naufana, and Ghadis. These cities were located in an area roughly corresponding to the Gobi Desert, a hundred thousand years ago. At that time the desert was dotted with large oases and traversed by a river which emptied into the Caspian Sea.

Cities of the Red Night (Holt, Rinehart & Winston, 332 pages) follows a dual narrative, slipping fluidly between the early 18th century exploits of a libertarian pirate crew, led by gunsmith Noah Blake, and the late 20th century " private asshole " (Clem Snide) hired to find the decapitated remains of one Jerry Green — victim apparent of a bizarre hanging/sex cult.

While young men wage war against an evil empire of zealous mutants, the population of this modern inferno is afflicted with the epidemic of a radioactive virus. An opium-infused apocalyptic vision from the legendary author of Naked Lunch is the first of the trilogy with The Places of the Dead Roads and his final novel, The Western Plains.

An opium addict is lost in the jungle; young men wage war against an empire of mutants; a handsome young pirate faces his execution; and the world's population is infected with a radioactive epidemic. These stories are woven together in a single tale of mayhem and chaos. In the first novel of the trilogy continued in The Place of Dead Roads and The Western Lands, William Burroughs sharply satirizes modern society in a poetic and shocking story of sex, drugs, disease and adventure.

Clem Snide, a private detective, has to solve a case of ritual murder. In the Gobi Desert 100,000 years ago, a red virus has erupted. And in the 18th century, gay pirates have set up their own republics in South America and are at war with the conquistadors. All three stories are merged at the end in a giant trans-time, trans-space battle.

A good old-fashion shoot-out in the American West of the frontier days serves as the springboard for this hyperkinetic adventure in which gunslingers, led by Kim Carson, fight for galactic freedom. The Place of Dead Roads is the second novel in the trilogy with Cities of the Red Night and The Western Lands.

A fascinating mix of autobiographical episodes and extraordinary Egyptian theology, Burroughs's final novel is poignant and melancholic. Blending war films and pornography, and referencing Kafka and Mailer, The Western Lands confirms his status as one of America's greatest writers. The final novel of the trilogy containing Cities of the Red Night and The Place of Dead Roads, this is a profound meditation on morality, loneliness, life and death.

The Wild Boys is a futuristic tale of global warfare in which a guerrilla gang of boys dedicated to freedom battles the organized armies of repressive police states. Making full use of his inimitable humor, wild imagination, and style, Burroughs creates a world that is as terrifying as it is fascinating.

In Naked Lunch, William S. Burroughs revealed his genius. In The Soft Machine he begins an adventure that will take us even further into the dark recesses of his imagination, a region where nothing is sacred, nothing taboo. Continuing his ferocious verbal assault on hatred, hype, poverty, war, bureaucracy, and addiction in all its forms, Burroughs gives us a surreal space odyssey through the wounded galaxies in a book only he could create.

Interzone portrays the development of Burroughs's mature writing style by presenting a selection of pieces from the mid-1950s. His outrageous tone of voice represents the exorcism of four decades of oppressive sexual and social conditioning. Burroughs's close observations of humanity - its ugliness and ignorance - invites the reader to dispense with their traditional notions of decorum, and taste the world as he sees it.

In the summer of 1944, a shocking murder rocked the fledgling Beats. William S. Burroughs and Jack Kerouac, both still unknown, we inspired by the crime to collaborate on a novel, a hard-boiled tale of bohemian New York during World War II, full of drugs and art, obsession and brutality, with scenes and characters drawn from their own lives. Finally published after more than sixty years, this is a captivating read, and incomparable literary artifact, and a window into the lives and art of two of the twentieth century ' s most influential writers.

From the critically acclaimed author of The 25th Hour and When the Nines Roll Over and co-creator of the HBO series Game of Thrones, a captivating novel about war, courage, survival — and a remarkable friendship that ripples across a lifetime. During the Nazis ' brutal siege of Leningrad, Lev Beniov is arrested for looting and thrown into the same cell as a handsome deserter named Kolya. Instead of being executed, Lev and Kolya are given a shot at saving their own lives by complying with an outrageous directive: secure a dozen eggs for a powerful Soviet colonel to use in his daughter ' s wedding cake. In a city cut off from all supplies and suffering unbelievable deprivation, Lev and Kolya embark on a hunt through the dire lawlessness of Leningrad and behind enemy lines to find the impossible. By turns insightful and funny, thrilling and terrifying, the New York Times bestseller City of Thieves is a gripping, cinematic World War II adventure and an intimate coming-of-age story with an utterly contemporary feel for how boys become men.
