~~Complaints and Disorders: The Sexual Politics of Sickness by Barbara Ehrenreich and Deirdre English, their sequel to Witches, Midwives and Nurses: A History of Women Healers, documents the role of the medical system in propagating and fueling sexist ideology. The authors argue it is not biology that oppresses women; it is a social system based on sex and class discrimination.~~

Diverticular Disease (DD) is the name given to small pouches (sacs) known as diverticula, that protrude outwards from the wall of the large intestine. Each diverticulum consists of a small part of the inner lining of the intestine that has been forced through the muscular layer of the intestine forming a small hernia.
