Although it is possible to paint a picture of the general decline in the status of women in the sex trade, there were also ambiguities in how they were regarded by society in the very oldest extant references to them in historical sources. Using essays, diaries, legal documents, stories, and

the court put itself in the potentially (and indeed, ultimately) precarious situation of contracting for its military needs with private warriors? These and related questions are the focus of the author's study. Most of the few Western treatments see the origins of the samurai in the incompetence and
