noun the act or art of declaiming, exercise in oratory or elocution, as in the recitation of a classic speech, speech or writing for oratorical effect.

Contemporaries in imagination as in fact, James Joyce and Sigmund Freud pondered the complexities and depths of human consciousness and found distinct ways to represent it-the one as a great novelist, the other as the first psychoanalyst. In this book, Paul Schwaber, both a professor of literature and a psychoanalyst, brings a clinician's attentiveness and a scholar-critic's literary commitment to the study of characterization in Ulysses.

As a genre situated at the crossroad of rhetoric and fiction, declamatio offers the freedom to experiment with new forms of discourse. Placing the literariness of declamatio into the spotlight, this volumeshowcases declamation as a realm of genuine literary creation with its own theoretical underpinning, literary technique and generic conventions. Focusing on the oeuvre of (Ps)Quintilian, this volumedemonstrates that these texts constitute a genre on their own, the rhetorical and literary framework of which remains not yet fully mapped.It is of interest to students and scholars of Rhetoric and Roman Literature.
