Michael: Defending the Flock" is a comprehensive manual for developing and implementing a team of volunteers to provide security for houses of worship. While this is a topic we all wish we did not have to consider, ignoring the threat will not make it go away

The church has always been regarded as a safe haven – a spiritual sanctuary where people can come to worship God free from worries about violence or unethical behavior by those involved in church ministry. But our culture is changing, and church leaders can no longer assume that it won't happen in my church. Like the rest of society, churches need to ensure the safety and security of their facility, staff, and worshipers. This book provides a wealth of practical information on preparing for and responding to the challenges of a dangerous world. Robert Cirtin draws on more than two decades of law enforcement and investigative experience, and with his team of professionals outlines a how-to approach full of specific proactive steps churches can take to protect themselves and reduce the risk of costly lawsuits. Church Safety And Security is a must-have resource for anyone participating in or preparing for church leadership. Topics covered include: *

When church leaders fail to provide for the well-being and protection of everyone involved in congregational programs, they are derelict in their duty to shepherd and protect the flock. The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*
