Employee Handbook. Creating an employee handbook is a good way to set forth employees ' expectations and rights in one central place. Such a handbook ensures streamlined communication with employees and also serves as documentation that the employer is communicating and abiding by rules of employment law.

Provides sample employee policies and procedures, forms, and worksheets to help dental practices develop an employee handbook. Covers employee compensation and benefits; internet and social media communication; employee conduct; job descriptions; employment applications; sample interview questions for hygienists, dental assistants and front desk staff; employee motivation and appreciation.

Employee Manual This is the new employee handbook we have developed for use and modification. We have taken this template and expanded it for each of the practice locations. If you would like this in a MS Word format for modification please let us know or locate it on the website (DentalPracticeResourceGroup.com). The terms used to identify a practice, dentist and employee were purposely left generic to allow this manual to stand alone as is without significant modification or to serve as a working template to create a unique manual customized for any practice needs. Why reinvent the wheel? If your office does not have such a manual or you are just starting your very first practice or perhaps opening a new office, Dental Practice Resource Group has the resources and tools to make your life easier. Please review the details contained within this document, as certain aspects will require change: office hours, time off, paid CE, etc. Look for our other manuals on common office issues such as: OSHA, Radiation Safety, Exposure to blood and body fluids and more. Wishing you the best, The Team at Dental Practice Resource Group

This manual helps medium and large law firms increase productivity by providing a model manual for law office policies and procedures. The book, an updated and expanded version of the previous (fourth) edition, is divided into seventeen sections, covering such topics as law office organization, management, and administration, support personnel, office polices, personnel policies and benefits, office security and emergency procedures, financial management, file systems, technology, and communications systems. The book contains numerous sample forms and documents, as well as extensive bibliographies. A CD containing the entire text of the manual is included, allowing customization of the manual for particular user needs.

Easily master all aspects of dental assisting with the most up-to-date and most trusted text available. For more than 40 years, students and practitioners alike have relied on Modern Dental Assisting for its cutting-edge content, easy-to-grasp writing style, step-by-step procedures, and top-notch visuals. And the new 13th edition is no exception. With updated content — including the latest technological advancements, clinical photographs, and new coverage on cultural diversity and how it relates to patient care — this new edition will guide you from your first day of class all the way to your first job in dental assisting. UNIQUE! Trusted expert authors Doni Bird and Debbie Robinson present information and procedures in a way that makes it easy for students to understand and apply the material. Comprehensive, cutting-edge content is presented in approachable writing style. Step-by-step procedures for general and expanded functions use color coding and clinical photos to demonstrate key dental assisting competencies. 70 procedural videos include questions and answers correlated to the
