From Ashes To Glory by McCartney, Bill

Dan Schutte's inspiring new prayer book allows us to reflect on Christ's journey and reminds us that it is Christ's redeeming love that raises us up from the dust and ashes of death into glory. The prayer exercises in the book are designed to help readers enter in the prayer of Lent and Easter.

From Ashes To Glory by McCartney, Bill

In From Ashes To Glory, Ramin Parsa, a former devout Muslim describes his supernatural encounter with Jesus Christ that consequently led to his dramatic conversion from Islam to Christianity after he learned that Jesus Christ died for him on the Cross, was buried and rose from the dead on the third day. Ramin describes life under rigid Islamic sharia law in Iran which he once thought was the way to Allah. Until he became a victim of the unjust Islamic law himself which devastated his life. That caused him to investigate Islam more closely which resulted in discovering devastating truth about Islam that caused him to reject and abandon Islam entirely. Leaving Islam was not easy for Ramin because his entire life he endeavored to please Allah through keeping harsh Islamic laws and rituals. Although Ramin left Islam, but he couldnt ignore the fact that there is a God. His hunger for truth sat him on an exciting journey that led him to find the only true and living God whom he never knew but was desperately seeking. In this engaging and thought provoking book, with depth and clarity, Ramin compares Islam vs. Christianity and their respective impacts on the world around us. This book reminds us to take heart because the simple but powerful message of the Gospel is healing and transforming the lives of people everywhere including the Muslim world. In this book you will learn about Ramins story, his dramatic escape from Iran, living as a refugee. You will also learn about the rise and fall of Ancient Persia, the birth of Islam and its dark History, the truth about the Islamic sharia law, Islamic Jihad and the plan of Islam for the West. Redemptive Love Ministry International P.O. Box 2595, LANCASTER, CALIFORNIA 93539 www.raminparsa.org info@raminparsa.org Phone:1-805419-0177

This revised version of From Ashes to Glory portrays the life of Bill McCartney, former football coach at the University of Colorado and the founder of Promise Keepers. A compelling look at his many personal and professional challenges, complete with 16 pages of photos.

Examines how the ordinary citizens of Richmond, Virginia, coped with siege, famine, corruption, and escalating unrest from 1861 to the end of the Civil War. Reprint. 17,500 first printing.

Ashes to Glory is a fascinating account of the 4th Battalion of the Sikh Regiment (XXXVI SIKH). Written and compiled by two officers of the Battalion who have been brought up in its traditions, the book recalls how, time and again, it has rallied to the call and risen to even greater glory. The Battalion suffered over 600 casualties within three hours at Hai during World War I and was overrun by Rommel ' s Panzer division in the burning sands of El Alamein during World War II. Again, in 1962 and 1965 it faced major reverses, yet emerged unscathed. Tracing the Battalion ' s trials and tribulations, triumph and glory, the book recounts how, within four years of its raising, it earned its first Battle Honour in Manipur. However, it is in the NWFP on 12 September 1897, while defending the post of Saragarhi, that it achieved undying glory. Havildar Ishar Singh and twenty-one other ranks laid down their lives fighting, refusing to surrender to thousands of Orakazi tribesmen surrounding their post. All twenty-one of them were awarded the Indian Order of Merit, the then highest award given to an Indian. Ever since then it has been known as the Saragarhi Battalion. The Battalion went on to win twenty-two Battle Honours, thereby establishing its claim as not only one of the most decorated units of the Indian Army, but also a widely travelled one. These pages contain a fascinating account of the Battalion ' s operations in China during the Boxer Rebellion; NWFP and Aden between the two World Wars, Abyssinia, Ethiopia, Eriteria, Egypt and Italy during World War II. The Battalion also has the honour of having participated in all the four operations since Independence, including the 1947 Kashmir Operations when it was air lifted into the valley. This is not only the story of the Battalion of the Sikh Regiment but in a way that of soldiering in the Indian Army, for it brings out the resilience of the Indian Soldier when pitched against insurmountable odds. Written on the eve of the centenary of the Battalion, it makes compelling reading.

CT (Charlie) Studd was a cricketer of the highest class. He played in the famed Test Match between England and Australia in 1882 that began the legend of the Ashes. From Ashes to Glory tells the story of this remarkable, dedicated man, and contains an authentic account of the 1882 Ashes Test, with all its drama.At the peak of his fame Studd retired from cricket to serve as a missionary in China. In 1895 he was one of seven men of wealth and privilege (The Cambridge Seven), who shocked the nation by giving up everything to take the Gospel of Jesus Christ to the Chinese. While there he sufferedmuch, but saw many people come to Christ. He later spent six years as a missionary in India, where he opened a school which is still serving the community today.In 1913 he went to Central Africa and became the founder of the mission organisation WECInternational, which today has about 1,800 workers in 50 countries. Dr Evan Davies, former International Director of WEC International, recommends this book and reminds us that "Today thousands enjoy being part of God's family because of Studd's pioneer example." About the AuthorDavid Malcolm Bennett is a multi-published author and evangelical theologian, who has the gift of doing thorough and painstaking research and presenting the results in a readable form.A Dramatised retelling of CT Studd, his cricket, his mission work and the decisions he made which helped form the mission organisation WEC International.

From Ashes to Glory discusses the aftermath of rape and how it affects every area of a victim's life by examining the life of Tamar, daughter of King David. Join author Barbara Smith as she provides a conversational text exploring the medical and biblical perspectives of rape and recovery, taking audiences to hope from hopelessness and reminding us that abundant life as a survivor is available through Christ.

I am Princess Benua, and the sultan has sold me off to a cruel king on the outskirts of the desert. All my life I ' ve been owned and enslaved by men, and this is no different. But another seeks my hand-- roguish killer and king of thieves, the Raider Prince. I ' m stolen away to the Raider Prince ' s city of darkness and enchantment. Here, I learn to fight, to steal... and to rule. Now my kingdom is in danger. To save it, I ' ll have to give up everything I ' ve become... and relinquish my freedom forever. It would be easy if I hadn ' t fallen for the man who kidnapped me. Love is dangerous. But if anyone comes between the Raider Prince and I... They. Will. Burn. At the age of eight, while her mother was in the hospital having her fifth baby, Jennie Garcia's innocence was taken from her by her own father. From that point on, Jennie's life jumped from one home to another, from one state to another, from security to peril, from love to loss. Jennie always believed in God and prayed often, asking Him to help her. However, it was not until she was grown and married and her three-year-old son was diagnosed with autism that she had an epiphany about how God works. Instead of asking Him for change, Jennie began to trust in His design. When she gave her full trust to God, her complete and utter belief in His will and His love, her life became more than something to endure: it became something to celebrate.

No book before this one has rendered the story of cigarettes -- mankind's most common self-destructive instrument and its most profitable consumer product -- with such sweep and enlivening detail. Here for the first time, in a story full of the complexities and contradictions of human nature, all the strands of the historical process -- financial, social, psychological, medical, political, and legal -- are woven together in a riveting narrative. The key characters are the top corporate executives, public health investigators, and antismoking activists who have clashed ever more stridently as Americans debate whether smoking should be closely regulated as a major health menace. We see tobacco spread rapidly from its aboriginal sources in the New World 500 years ago, as it becomes increasingly viewed by some as sinful and some as alluring, and by government as a windfall source of tax revenue. With the arrival of the cigarette in the late-nineteenth century, smoking changes from a luxury and occasional pastime to an everyday -- to some, indispensable -- habit, aided markedly by the exuberance of the tobacco huskers. This free-enterprise success saga grows shadowed, from the middle of this century, as science begins to understand the cigarette's toxicity. Ironically the more detailed and persuasive the findings by medical investigators, the more cigarette makers prosper by seeming to modify their product with filters and reduced dosages of tar and nicotine. We see the tobacco manufacturers come under intensifying assault as a rogue industry for knowingly and callously plying their hazardous wares while insisting that the health charges against them (a) remain unproven, and (b) are universally understood, so smokers indulge at their own risk. Among the eye-opening disclosures here: outrageous pseudo-scientific claims made for cigarettes throughout the '30s and '40s, and the story of how the tobacco industry and the National Cancer Institute spent millions to develop a "safer" cigarette that was never brought to market. Dealing with an emotional subject that has generated more heat than light, this book is a dispassionate tour de force that examines the nature of the companies' culpability, the complicity of society as a whole, and the shaky moral ground claimed by smokers who are now demanding recompense
