Early Immigrants to Pennsylvania 1680s-1726

Exploring Diversity in Pennsylvania History www.hsp.org. German Settlement in Pennsylvania An Overview. In 1683, a group of Quakers and Mennonites from the Krefeld region of the Rhineland founded the city of Germantown, the first recorded German settlement in the English colonies. Mennonites were religious dissenters who believed in adult baptism and absolute pacifism.

German Settlement in Pennsylvania An Overview

The first American region in which large numbers of Germans settled was Pennsylvania. Germantown, near what is now Philadelphia, was the first of many permanent German settlements in the British colonies—many of which had the same name. After Germantown was founded in 1683, German immigration to Pennsylvania grew more rapidly.

German immigrants » Immigration to the United States

Germantown, the first intentional German-speaking community in America, was laid out in 1683, a mile-long section of an Indian trail some six miles northwest from Philadelphia. The first German settlers—13 families—arrived that October on the ship Concord.

The Germans Have Landed | Christian History Magazine

Early German immigrants to the United States (1683-1820) settled mainly in Pennsylvania. Those in the second wave of migration (1820-1871) often settled in Ohio, Wisconsin, Indiana, Missouri, and Texas. During the third wave (1871-1914), many German immigrants settled in New York City, Chicago, St. Louis, or other large cities.

the number of German immigrant family groups that were counted on the ship called: "Concord". These 13 families were german settlers, whose most noted stop on their long journey was Philadelphia, Pennsylvania... after which

What Is "The Original 13"?

The devastation of the Thirty Years' War (1618–1648) and the wars between the German principalities and France caused some of the immigration of Germans to America from the Rhine area. Members of this group founded the borough of Germantown, in northwest Philadelphia County, Pennsylvania, in 1683. They settled on land sold to them by William Penn. ...

Pennsylvania Dutch - Wikipedia

The tide of German immigration to Pennsylvania swelled between 1725 and 1775, with immigrants arriving as redemptioners or indentured servants. By 1775, Germans constituted about one-third of the population of the state. German farmers were renowned for their highly productive animal husbandry and agricultural practices.

German Americans - Wikipedia

1724, Christopher Sauer (Sower), his wife, and young son left Germany for an uncertain life in the colony of Pennsylvania. Twenty-six years later, Gottlieb Mittelberger made the same journey, landing in Philadelphia in 1750. Both men came from the same area and traveled to the same colony and both men left written accounts of their experiences.

German Immigration - Historical Society of Pennsylvania

In the year 1683, Dutch and German people in religious minorities purchased land in Pennsylvania, north of Philadelphia, and founded Germantown. One of the largest migration waves from the lands of Germany began when Protestants from the Palatine area of Germany fled political disorder and economic hardship in their homeland in 1709.

History of immigration, 1620-1783 » Immigration to the ...

America, Especially on the Pennsylvania Germans and Their Descendants, 1683-1933 (Leipzig, 1937) is still indispensable because of its listing of the older, often purely descriptive, literature which includes much valuable information even though much of the explanation and interpretation is now dated.

The Flow and the Composition of German Immigration to ...

Their immigration began with the Mennonite Francis Daniel Pastorius, who in 1683 led a group of German Quakers to Philadelphia, where they founded Germantown, the pioneer German settlement. The early German settlers were for the most part Mennonites, Amish, Dunkers (or German Baptists), Schwenckfelders, and Moravians (see Moravian church).

1683 - Thirteen families of German Mennonites seeking religious freedom arrived in Pennsylvania; led by Franz Pastorius, they purchased 43,000 acres of land and founded Germantown, six miles north of Philadelphia. An elderly Amish couple, c. 1940. Prints and Photographs Division

Chronology : The Germans in America (European Reading Room ...

Dr. Marianne S. Wokeck created a detailed list of "German Immigrant Voyages, 1683-1775" to Colonial America. Destinations include Maryland (1750s). She published the list in an Appendix to: Wokeck, Marianne S. Trade in Strangers: The Beginnings of Mass Migration to North America. University Park, Pa.: Pennsylvania State University Press, 1999.

One of our most popular titles, this volume places readers in the footsteps of Francis Daniel Pastorius, who first set foot in Pennsylvania in 1683, and then carries the history of German immigration and experience forward through three centuries. Included within the narrative are examples of German arts and crafts and excerpts of German proverbs, folk tales, and songs. (Revised edition, 2002). 86 pages, illustrations, notes, and suggestions for further reading.

This volume presents seventeen articles, revised and expanded from a Max Kade Symposium, on the German language in North America. It includes historical studies (colonial German in contrast with Native American languages, the language of Pietism among colonial immigrants), dialect descriptions (Donau-schwabisch in the Midwest, Low German in Kansas, Volga German in Kansas) and investigations into the impact of German on English (German ethnic varieties of English, German in advertising, German loanwords in American English). Research on language maintenance and shift is especially well-represented, with a general theoretical contribution and case studies of Alberta, Black Sea Germans in the Dakotas, and the Amana colonies. Methodological and theoretical issues include case loss and morphosyntactic change (East Franconian in Indiana), a comparative study of German in Pennsylvania and Wisconsin, as well as several papers on Pennsylvania German, treating linguistic convergence, language attitudes, and sociolinguistic variation. "

Taking the name Pennsylvania Dutch from a corruption of their own word for themselves, "Deutsch," the first German settlers arrived in Pennsylvania in 1683. By the time of the American Revolution, their influence was such that Benjamin Franklin, among others, worried that German would become the commonwealth's official language. The continuing influence of the Church peoples-the Amish and Mennonites and others who constitute the still-vibrant Dutch culture-can be seen today in icons of Americana from apple pie to log cabins.

This book provides an introduction into the life and times of Germans who settled in Pennsylvania. The first permanent all-German settlement was established in America in October 1683 at Germantown, which is now a part of Philadelphia. Germantown would then become the German-American center into the 19th century. This book describes immigration from Germany and the hardships immigrants encountered,

pioneer life, religion and education, manners, customs and dress. Chapters discuss the distinctiveness of the Mennonites as Pennsylvania Germans, and proverbs and superstitions. Finally there is a short chapter devoted to gleanings of old records, which deals primarily with the Rosenberger family, beginning with the pioneer Heinrich Rosenberger.
