In Giving the Love That Heals, they present a new understanding of the most profound love of all, which is helping parents nurture the development and emotional wholeness of their children. This unique book offers the opportunity for parents to transform their families by resolving difficult issues that originated in childhood.

Giving the Love That Heals - Harville and Helen

The sense in which marriage can be healing is that partners restore their own wholeness when they stretch to meet each other's needs, giving to the other what is often hardest to give. The sense in which parenting can be healing is that parents restore their own wholeness when they stretch to meet the needs of
