This book arms engineers with the tools to apply key physics concepts in the field. A number of the key figures in the new edition are revised to provide a more inviting and informative treatment. The figures are broken into component parts with supporting commentary so that they can more readily see the key ideas. Material from The Flying Circus is incorporated into the chapter opener puzzlers, sample problems, examples and end-of-chapter problems to make the subject more engaging. Checkpoints enable them to check their understanding of a question with some reasoning based on the narrative or sample problem they just read. Sample Problems also demonstrate how engineers can solve problems with reasoned solutions. INCLUDES PARTS 1-4 PART 5 IN FUNDAMENTALS OF PHYSICS, EXTENDED

The new Ninth Edition of Halliday, Resnick and Walker's Principles of Physics has been strategically revised to focus on engaging students, supporting critical thinking and moving students to the next level of physics understanding. Key to the Ninth Edition's support for critical thinking and development of understanding physics concepts is Jearl Walker's modern voice. Jearl Walker is both an active teacher, who understands the challenges faced in today's classroom, and a world renowned communicator of science to the general public. His Flying Circus of Physics is a cult classic among physics students and instructors and material from this book is integrated throughout the Ninth Edition to catch students' attention, engage them, and encourage them to solve the underlying real world physics phenomenon and concepts,

before they begin the more quantitative portion of the content or problem. Succeed with WileyPLUS This online teaching and learning environment integrates the entire digital textbook with the most effective instructor and student resources to fit every learning style. WileyPLUS' industry-leading service offerings provide all the help, resources and personal support you need: Students achieve concept mastery in a rich structured environment that's available 24/7.
