"Hurrah for Gin" by Katie Kirby is based on the blog from the same author. It is an alternative guide to life as a parent. It is an alternative guide to life as a parent. This was a light and enjoyable read. It wasn't as laugh-out-loud funny as her blog posts (which frequently make me snort my drink -gin, obviously- out of my nose).

Katie Kirby (aka the Hurrah for Gin lady) documents life as a grown up with her clever stick people cartoons. She captures life as a middle aged parent very well - what it means to come to terms with being older and with balancing work, relationships, family and home life. Its funny, but created with a heart.

All Hurrah For Gin books make me feel warm and fuzzy, especially on the rare occasions when I don't have much to feel warm and fuzzy about. When I feel stressed or anxious about parenting (at one point, daily), I read her first book which would make me feel calm, and better able to take on a toddler in a rage over the texture of peas.
