A brilliantly twisty, 80-page novella from the No. 1 bestselling author of the Logan McRae series. Including an extract from his new Logan novel, THE MISSING AND THE DEAD.

“ The Painter’s Method and Materials ” is a comprehensive guide to all things painting, dealing with everything from how to use use pigments in tempera to water-colour, mural painting, the theories of light and colour, and much more. This timeless volume will prove to be an invaluable resource for painters both new and old, and it would make for a marvellous addition to collections of allied literature. Contents include: “ The Mediums Used in Painting ”, “ The Written Evidence on Early Painting Methods in Oil ”, “ Wood Panels and Canvas ”, “ The Pigments Used in Painting (contd.) ”, “ The Behaviour of White Light ”, “ Colour and the Prism ”, “ Linseed Oil, Walnut Oil, and Poppy Oil ”, “ How to Paint Oil Pictures ”, etc. Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new the original text and artwork.

Move over, movies: the freshest storytelling today is on television, where the multi-episodic format is used for rich character development and innovative story arcs. Directors Tell the Story, Second Edition offers rare insight and advice straight from two A-list television directors whose credits include NCIS, NCIS New Orleans, Nashville, Criminal Minds and many more. Here, in one volume, learn everything you need to know to become an excellent director, not merely a good one. Covering everything through prep, shoot, and post, the authors offer practical instruction on how to craft a creative vision, translate a script into a visual story, establish and maintain the look and feel of a television show or film, lead the cast and crew, keep a complex operation running on time and on budget, and effectively oversee editing and post-production. Directors Tell the Story provides behind-the-scenes access to the secrets of successful directors, as well as exercises that use original scripted material. This newly updated edition features: All-new “From the Experts” sections with insider info known only to working professionals Profiles of top film and TV luminaries with advice and tips Additional „ How I Got My First Job” stories from directors currently in the trenches Useful instruction to help you put directing techniques into practice A companion website featuring directing tutorials and video interviews with the authors Bethany Rooney has directed over two hundred episodes of prime-time network shows, including NCIS, The Originals, Nashville, NCIS New Orleans, and Criminal Minds. She teaches the Warner Brothers Directing Workshop and serves on numerous committees at the Directors Guild of America. Mary Lou Belli is a two-time Emmy Award winning producer, writer, and director as well as the author of two books. She directed NCIS New Orleans, Monk, Hart of Dixie, The Game, Girlfriends, and The Wizards of Waverly Place. She teaches directing at USC ’ s School of Cinematic Arts.

Isabelle "Izzy" Harmon is home again. Literally. After landing her first teaching gig, Izzy has found herself sleeping in her old room on an ancient twin bed that squeaks whenever she moves. Sure, she loves Honeywell, Iowa but part of her wanted to move to civilization rather than return to her old life after graduating from college. Farm life is in her blood but so is the man who lives next door. It's too bad he never saw her as more than his best friend's little sister. It's true what they say... distance makes the heart grow fonder and four years away did nothing to quell the way Izzy's heart rate doubles whenever he's nearby. She hoped to get over it, but things don't always work out the way we hope. Nashville "Nash" Watson never left. His goal of playing baseball in the majors flew out the window the second he found out he was going to be a father. No regrets, though, because Nash figured he'd return to Honeywell, Iowa to farm his family's land. It was the only thing he knew for sure. Well, that and he's never falling for another woman again. Ever.

Evidence-based practice depends on well-designed, well-executed research. Now in its second edition, this highly respected guide to dietetics research has been written and edited by the foremost experts in the field. As a guide, this book is invaluable to new and experienced researchers alike. As a reference, Research: Successful Approaches provides practical observations that will make research accessible to all readers.

Offering an overview, this guide details how 3GIO allows designers to overcome the practical performance limits of existing multidrop, parallel bus technology and explains how to increase performance and new capabilities for a broad range of computing and communications platforms.

Shows all writers how effective writing can be as natural as telling a story to a friend, and as easy as daydreaming.

Readers discover how temperament affects their work, emotions, spiritual life, and relationships and learn how to make improvements.

Provides information on the use of Excel in financial statements and analysis, financial planning and control, investment decisions, and sales and marketing.
