La Consolante de Anna Gavalda en fait partie. Je le garde près de mon lit, jalousement, je ne le prête jamais, mais je l'offre. Comment parler de ce livre sans évoquer le fil à plomb, celui qu'on utilise pour descendre tout au fond de soi, pour mieux se connaître et s'introspecter ? Mon compagnon cherche à savoir pourquoi ce livre, pourquoi cette histoire bancale m'a autant prise, autant ...

By the international bestselling author of *Billie*: These seven short stories exploring modern French life are “a raw and tender ode to the human spirit” (Booklist). Critically acclaimed and beloved across Europe, Anna Gavalda’s bestselling novels have been translated into numerous languages. In this collection of short stories, all written in the first person, Gavalda has crafted intimate and inspiring portraits of people who confront their vulnerabilities and admit their weaknesses. These tales illustrate the importance of moving beyond the wounds of the past to embrace love, friendship, forgiveness, and family. From the trucker who puts his dog to sleep following the death of his son to the alcoholic widow who befriends a mysterious stranger, readers will meet expertly drawn characters in these seven stories of suffering and salvation. “The voices heard in these seven stories, each entirely distinct from the others, are of the sort that permanently embed themselves in the memory.” ?Le Soir

Charles Balanda, quarante-sept ans, architecte à Paris, apprend incidemment la mort d'une femme qu'il a connue quand il était enfant et adolescent. Cette nouvelle le fait basculer dans l'angoisse et le chagrin. Il perd pied. Dans son couple. Dans son travail. Dans ses certitudes... Jusqu'à ce que sa rencontre avec l'énigmatique Kate change sa vision du monde.

Particularly in the humanities and social sciences, festschrifts are a popular forum for discussion. The IJBF provides quick and easy general access to these important resources for scholars and students. The festschrifts are located in state and regional libraries and their bibliographic details are recorded. Since 1983, more than 659,000 articles from more than 30,500 festschrifts, published between 1977 and 2011, have been catalogued.

Logos – the international journal of the publishing community – celebrates its 25th anniversary in 2015. Since its first publication it has gained a reputation for publishing insightful and clear-headed articles about publishing, and this tradition continues to the present day, with the addition in recent years of academic articles reflecting the growth in the discipline of publishing studies. The present collection provides the opportunity to mark this milestone in the journal's history by reprinting over thirty articles in book form.

Prize-winning author Anna Gavalda has galvanized the literary world with an exquisite genius for storytelling. Here, in her epic new novel of intimate lives-and filled with the "humanity and wit" (Marie Claire) that has made it a bestselling sensation in France-Gavalda explores the twists of fate that connect four people in Paris. Comprised of a starving artist, her shy, aristocratic neighbor, his obnoxious but talented roommate, and a neglected grandmother, this curious, damaged quartet may be hopeless apart, but together, they may just be able to face the world.

In French Leave four siblings are reunited one afternoon after skipping out on a dull family wedding. They leave behind needy spouses, annoying relatives, and the dull demands of encroaching adulthood for one final, riotous and joyous adventure in each other's company. Garance, her sister Lola, brother Simon and his overbearing wife are driving through the French countryside on their way to a family wedding in Podunk-on-Indre. Once they arrive and discover the real occasion to celebrate is the fact that they are together again, the three siblings realize what they really want to do is visit their youngest brother Vincent, who is working as a tour guide at a château in the heart of the enchanting province of Touraine. The siblings jump back in their car and race away, then talk Vincent into playing hooky in order to all hang out like they used to. For the remainder of that afternoon, over drinks and delicious food at a campsite where Vincent lives, the four siblings lose themselves in the laughter of inside jokes, teasing and memories that unite them. As simply and as spontaneously as the adventure began, it ends with each returning back to their respective lives, but with a new welcoming of the years ahead. Getting its title from the phrase meaning to take one's leave suddenly, with no warning and without permission, French Leave is full of feeling and a wonderful treat of a novel that captures a final moment of youth between a group of brothers and sisters before life truly gets in the way.

Two Parisians recount the story of their friendship while trapped in the Cévennes Mountains in this #1 international bestselling novel. When we meet Billie, she is trapped in a gorge in the Cévennes National Park of France. There with her, injured and delirious with pain, is her best friend Franck. The two have relied on each other since they met years ago in Paris. As darkness encroaches, Billie recounts stories from their lives to stave off panic. Alternating between recollections of their childhoods and their dire present predicament, what unfolds is a moving tale of friendship and resilience. A bright kid, Franck's future was menaced at every turn by his judgmental father and the bigotry surrounding him. As for Billie, she was willing to do anything and everything to escape from her abusive and alcohol-addled
