First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince's story. The narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once.

The Beloved Children's Lullaby *Twinkle, Twinkle, Little Star* comes to life in this cute children's book illustrated by Katherine White. Additional verses will have you reading and singing along to this children's classic.

The benefits of music are monumental! Ukuleles are the perfect first instrument for kids to learn to play, and this book will show them why and how. Filled with basic instructions for holding positions, tuning, basic chords, and more, children will then learn and practice 24 songs, games, and activities. From songs about counting to songs about yoga, each exciting musical activity provides a rich and playful learning experience kids will love! *Kid's Guide to Learning the Ukulele* is a must-have musical journey for children and parents or teachers alike – no prior experience or knowledge needed! Author Emily Arrow has over 10 years of experience working with children and teachers in music education. An award-winning children's songwriter, an official Kala Brand Music Co. artist, and popular YouTube personality, her work has also been featured on SiriusXM's *Kid's Place Live*, as well as *Sesame Street Studios*.

From the New York Times bestselling author of *Tinker, Tailor, Soldier, Spy*; *Our Kind of Traitor*; now a miniseries on AMC starring Alexander Skarsgard, Michael Shannon, and Florence Pugh. "You want to catch the lion, first you tether the goat." On holiday in Mykonos, Charlie wants only sunny days and a brief escape from England's bourgeois dreariness. Then a handsome stranger lures the aspiring actress away from her pals—but his intentions are far from romantic. Joseph is an Israeli intelligence officer, and Charlie has been wooed to flush out the leader of a Palestinian terrorist group responsible for a string of deadly bombings. Still uncertain of her own allegiances, she debuts in the role of a lifetime as a double agent in the "theatre of the real." Haunting and deeply atmospheric, John le Carré's *The Little Drummer Girl* is a virtuoso performance and a powerful examination of morality and justice. With an introduction by the author.
