Last Updated 2/18/2020. Lender-placed insurance, also known as "creditor-placed" or "force-placed" insurance is an insurance policy placed by a bank or mortgage servicer on a home when the homeowners' own property insurance may have lapsed or where the bank deems the homeowners' insurance insufficient. All mortgages require borrowers to maintain adequate homeowners insurance on their property.

Lender-Placed Insurance - National Association of ...

Force-placed insurance or lender-placed insurance is generally, if not always, authorized by a contract. The loan documents are collectively recognized as many parts of one loan contract. Taken together, the documents make up a legally enforceable contract for lending and repaying money. 16Chapter2
