Second edition of 'M is for Data Monkey' is delayed. By Miguel Escobar. September 28, 2020. 0 Comments. In 2015 Ken Puls and I (Miguel Escobar) published a book under the name 'M is for Data Monkey'. We were (and still are!) very proud of the work that we were able to put out. We never expected our book to become the #1 book out there when it comes down to *Power Query* – we are very grateful, and we thank everyone who has supported us throughout the years.

I'm not going to pretend that this blog post is a properly impartial review – I know the authors of both of these books to varying degrees – but I thought it was worth writing a few words on two new books I've acquired recently which are worth additions to any *Power BI* enthusiast's bookshelf or e-reader. The Definitive Guide To DAX
