Each chapter demonstrates how nostalgia has always been a media-related matter, studying also the recent nostalgia boom by analysing, among others, digital photography, television series and home videos.

Media and Nostalgia: Yearning for the Past, Present and ...

Media and Nostalgia takes a closer look at the recent nostalgia boom and the relationship between media and nostalgia more generally; for example, digital photography that adopts a vintage style, the success of films such as The Artist and television series such as Mad Men, revivals of past music, fashion, and video games. However, this boom is not simply a fascination with the past; rather, it hints at something more profound.

" Media and Nostalgia draws together a series of fascinating essays that reveal the multi-faceted nature of both nostalgia and the scholarly responses to this slippery phenomenon. It displays a commitment to the meaningful interrogation of a term and a phenomenon that is often " thrown away " in general usage.
