More Time to Think Audiobook | Nancy Kline | Audible.co.uk

If you're finding yourself short on time, try these 10 ways to fit thinking into your life: 1. Make the decision to make time. If you're going to make time to do more thinking, you need to commit to that decision. That means actively making time to do it. If you just say that you'll make time, it's likely that it won't happen.

10 Ways You Can Find More Time To Think - Lifehack

Thinking time becomes a by-product of the thinking environment. For instance, if you have a meeting and all the ten enablers discussed here are put in place, then there is more time for thinking, and the meeting might even end early with excellent solutions. There is always time to think therefore if the right conditions have been met.

Time to Think Summary - Self Development Secrets

More's the pity! This should be required reading in every school, and then perhaps we would all be a lot more comfortable with ourselves and our connections. Supreme piece of work. The book is in two halves. The first half deals with you and how to implement the 'Time to Think' principles.
