came sniffing around her. And it was because of my carnal need for her that I didn't touch another woman, that I stayed celibate for Fiona. When it came to her I was possessive, territorial. I didn't just want her in my bed. I wanted her as mine. Branded by me ... bred by me. And one way or another I'd have her ... as my wife and filled with my baby. Warning: This might be a safe read with a celibate hero and a virgin heroine, but it's over-the-top filthy in the best baby-making of ways. Grab a contraceptive because reading this might get you pregnant. *wink*

Spiritually, men are frustrated today because they feel they are repeatedly coming up short or are in other ways unfulfilled. Like football players in the "red zone," they are struggling to complete the drive toward integrity and intimacy with God. That drive toward spiritual maturity requires both a shift of heart and a re-examination of the spiritual habits. What men lack today is, first, clear understanding of what God is really after in the relationship, and second, a clear plan connected to their goals that make sense practically and biblically. That's what makes this book special: It specifically reveals God's heart for men in the spiritual "red zone," and sets forth the choices they must make to take the relationship with God all the way. Like other books in the "Every Man" Series, Every Man, God's Man boldly gets into men's heads and gives hope. It helps them persevere in their pursuit of God. Provides new insight into God's objectives for them. And brings them to the new place God is calling them—a place of completion in the faith.

The Pulitzer Prize-winning, New York Times bestselling novel about a peasant farmer and his family in early twentieth-century China. The Good Earth is Buck's classic story of Wang Lung, a Chinese peasant farmer, and his wife, O-lan, a former slave. With luck and hard work, the couple's fortunes improve over the years: They are blessed with sons, and save steadily until one day they can afford to buy property in the House of Wang—the very house in

which O-lan used to work. But success brings with it a new set of problems. Wang soon finds himself the target of jealousy, and as good harvests come and go, so does the social order. Will Wang's family cherish the estate after he's gone? And can his material success, the bedrock of his life, guarantee anything about his soul? Winner of the Pulitzer Prize and the William Dean Howells Award, *The Good Earth* was an Oprah's Book Club choice in 2004. A readers' favorite for generations, this powerful and beautifully written fable resonates with universal themes of hope and family unity. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

TEX There was only one woman I wanted, and I'd been secretly lusting after her for years. My sister's friend. That first time I saw Calissa was like a right hook to the face, taking me down until there was nothing left. She was my world. She's too young for me, too innocent, but that won't stop me from making her mine. There's no stopping it, no controlling this possessive, primal need to claim her. I'd have Calissa no matter what, as my woman, my wife ... with my baby inside of her. CALISSA It was a forbidden desire to want your best friend's older brother, but it was my reality. Tex was big and strong and a successful owner of a security company. He was definitely all man. I'd thought he'd never see me as anything more than his sister's friend. How wrong I was. No more longing gazes or fantasies that we were together. He knew what he wanted out of life and apparently that was me ... pregnant with his child. Warning: This hero really knows what he wants and that's the heroine and getting her knocked up! But no worries, this story is still sweet-even if it is filthy-and you still get that Happily Ever After.

bestselling author Louise Penny finds Chief Inspector Armand Gamache of the Sûreté du Québec investigating a sinister plot in the City of Light On their first night in Paris, the Gamaches gather as a family for a bistro dinner with Armand's godfather, the billionaire Stephen Horowitz. Walking home together after the meal, they watch in horror as Stephen is knocked down and critically injured in what Gamache knows is no accident, but a deliberate attempt on the elderly man's life. When a strange key is found in Stephen's possession it sends Armand, his wife Reine-Marie, and his former second-in-command at the Sûreté, Jean-Guy Beauvoir, from the top of the Tour d'Eiffel, to the bowels of the Paris Archives, from luxury hotels to odd, coded, works of art. It sends them deep into the secrets Armand's godfather has kept for decades. A gruesome discovery in Stephen's Paris apartment makes it clear the secrets are more rancid, the danger far greater and more imminent, than they realized. Soon the whole family is caught up in a web of lies and deceit. In order to find the truth, Gamache will have to decide whether he can trust his friends, his colleagues, his instincts, his own past. His own family. For even the City of Light casts long shadows. And in that darkness devils hide.

"When Type-A Manhattan lawyer Dannie Cohan is asked this question at the most important interview of her career, she has a meticulously crafted answer at the ready. different man. The television news is on in the background, and she can just make out the scrolling date. It's the same night -December 15 - but 2025, five years in the future. After a very intense, shocking hour, Dannie wakes again, at the brink of midnight, back in 2020. She can't shake what has happened. It certainly felt much more than merely a dream, but she isn't the kind of person who believes in visions. That nonsense is only charming coming from free-spirited types, like her lifelong best friend, Bella. Determined to ignore the odd experience, she files it away in the back of her mind. That is, until four-and-a-half years later, when by chance Dannie meets the very same man from her long-ago vision."--Publisher website.

My new neighbor is a total tool He hated me from the second he laid eyes on me, and I don't have the first clue why... But, if he wants to hate me, I'm happy to give him a few reasons: mowing the lawn at dawn on the weekend, leaving garbage cans in front of his driveway, renting a petting zoo for my backyard...making a list of ways to drive him crazy is half the fun. He deserves it with the way he's driving me crazy right back without even trying- walking around without a shirt on, sweaty rippling muscles on full display,
