~~In 2014, HERoines Inc. was born and has been a platform and sisterhood for women to embrace the sometimes uncomfortable and unpredictable journey of self development in a supportive environment. Our events focus on all the areas that a woman may work on throughout her life: career, health and wellness, spirituality, relationships, fun and recreation, and, finance.~~

~~[About | HERoines Inc](#)~~

~~The word hero has been so misused in our current culture to the point it has lost the true meaning of the word. The true heroes are the men and women who give selflessly of their time and compassion and yes even their money to help someone else and in so doing expect nothing in return. If something is done expecting recognition or publicity or anything in return then it is not heroic ,it is self promoting. Thank God for the real, mainly unsung heroes.~~

Top 20 Heroes and Heroines from Books

To recap, our definition of a hero: a man or woman whose actions have been in the service of the greater good and whose influence is national or international; someone who is prepared to act in pursuit of a freer, more equitable and democratic future, without recourse to violence.

Heroes of our time - the top 50 - New Statesman

At Help for Heroes, we believe those who serve our country deserve support when they 're wounded. Every day, men and women have to leave their career in the Armed Forces as a result of physical or psychological wounds; their lives changed forever. We help them, and those still serving, to recover and get on with their lives.

UK Armed Forces & Military Veterans Charity | Help for Heroes

Our heroes are symbols for us of all the qualities we would like to possess and all the ambitions we would like to satisfy. A person who chooses Martin Luther King or Susan B. Anthony as a hero is going to have a very different sense of what human excellence involves than someone who chooses, say, Paris Hilton, or the rapper 50 Cent.

Murdock stated that the heroine's journey is the healing of the wounding of the feminine that exists deep within her and the culture. Murdock explains, "The feminine journey is about going down deep into soul, healing and reclaiming, while the masculine journey is up and out, to spirit. "

Our Hero's Profile - ROBLOX

Our heroes and heroines we may love to recall But do they believe in a fair go for all If they are xenophobic or racist even in a small way Any respect to them I for one never will pay. Our heroes and heroines are gods in our eyes But are they kind hearted and generous and wise And do they embrace egalitarianism as a good idea

Our Heroes And Heroines Poem by Francis Duggan - Poem Hunter

The title character was teenager Kale Stiglic (Cara Pifko) who created a zine about her life in suburban Toronto, with her friends Ross (Justin Peroff), Mary-Elizabeth (Jeanie Calleja), and Dalal (Vik Sahay). Each episode was named after an "issue" of her zine.

Our Hero - Wikipedia

I work part time next door to Our Hero on Derr Rd, Springfield. This by far is the best Our Hero in Springfield. I have been to the one on plum st, was not very friendly. Because of the lack of care, I stopped going to Our Hero until I started work next door, the people are very friendly, the service is quick and fresh.

I am beginning to realize that taking the self out of our essays is a form of repression. Taking the self out feels like obeying a gag order--pretending an objectivity where there is nothing objective about the experience of confronting and engaging with and swooning over literature." -- from "Heroines "On the last day of December, 2009 Kate Zambreno began a blog called "Frances Farmer Is My Sister," arising from her obsession with the female modernists and her recent transplantation to Akron, Ohio, where her husband held a university job. Widely reposted, Zambreno's blog became an outlet for her highly informed and passionate rants about the fates of the modernist "wives and mistresses." In her blog entries, Zambreno reclaimed the traditionally pathologized biographies of Vivienne Eliot, Jane Bowles, Jean Rhys, and Zelda Fitzgerald: writers and artists themselves who served as male writers' muses only to end their lives silenced, erased, and institutionalized. Over the course of two years, "Frances Farmer Is My Sister "helped create a community where today's "toxic girls" could devise a new feminist discourse, writing in the margins and developing an alternative canon. In "Heroines," Zambreno extends the polemic begun on her blog into a dazzling, original work of literary scholarship. Combing theories that have dictated what literature should be and who is allowed to write it--from T. S. Eliot's New Criticism to the writings of such mid-century intellectuals as Elizabeth Hardwick and Mary McCarthy to the occasional "girl-on-girl crime" of the Second Wave of feminism--she traces the genesis of a cultural template that consistently exiles female experience to the realm of the "minor," and diagnoses women for transgressing social bounds. "ANXIETY: When she experiences it, it's pathological," writes Zambreno. "When he does, it's existential." By advancing the Girl-As-Philosopher, Zambreno reinvents feminism for her generation while providing a model for a newly subjectivized criticism.

World-renowned folklorist Maria Tatar reveals an astonishing but long buried history of heroines, taking us from Cassandra and Scheherazade to Nancy Drew and Wonder Woman. The Heroine with 1,001 Faces dismantles the cult of warrior heroes, revealing a secret history of heroinism at the very heart of our collective cultural imagination. Maria Tatar, a leading authority on fairy tales and folklore, explores how heroines, rarely wielding a sword and often deprived of a pen, have flown beneath the radar even as they have been bent on redemptive missions. Deploying the domestic crafts and using words as weapons, they have found ways to survive assaults and rescue others from harm, all while repairing the fraying edges in the fabric of their social worlds. Like the tongueless Philomela, who spins the tale of her rape into a tapestry, or Arachne, who portrays the misdeeds of the gods, they have discovered instruments for securing fairness in the storytelling circles where so-called women ' s work—spinning, mending, and weaving—is carried out. Tatar challenges the canonical models of heroism in Joseph Campbell ' s The Hero with a Thousand Faces, with their male-centric emphases on achieving glory and immortality. Finding the women missing from his account and defining their own heroic trajectories is no easy task, for Campbell created the playbook for Hollywood directors. Audiences around the world have willingly surrendered to the lure of quest narratives and charismatic heroes. Whether in the form of Frodo, Luke Skywalker, or Harry Potter, Campbell ' s archetypal hero has dominated more than the box office. In a broad-ranging volume that moves with ease from the local to the global, Tatar demonstrates how our new heroines wear their curiosity as a badge of honor rather than a mark of shame, and how their " mischief making " evidences compassion and concern. From Bluebeard ' s wife to Nancy Drew, and from Jane Eyre to Janie Crawford, women have long crafted stories to broadcast offenses in the pursuit of social justice. Girls, too, have now precociously stepped up to the plate, with Hermione Granger, Katniss Everdeen, and Starr Carter as trickster figures enacting their own forms of extrajudicial justice. Their quests may not take the traditional form of a " hero ' s journey, " but they reveal the value of courage, defiance, and, above all, care. " By turns dazzling and chilling " (Ruth Franklin), The Heroine with 1,001 Faces creates a luminous arc that takes us from ancient times to the present day. It casts an unusually wide net, expanding the canon and thinking capaciously in global terms, breaking down the boundaries of genre, and displaying a sovereign command of cultural context. This, then, is a historic volume that informs our present and its newfound investment in empathy and social justice like no other work of recent cultural history.

Heroines from literature come to life and visit Anne-Marie's bed and breakfast, where she tries not to interfere with their lives in fear it will change the outcome of their novels.

NATIONAL BESTSELLER " A delectable brew of gothic horror and Hollywood satire . . . [and] what makes all this so much fun is Danforth ' s deliciously ghoulish voice . . . exquisite." —Ron Charles, THE WASHINGTON POST "A multi-faceted novel, equal parts gothic, sharply funny, sapphic romance, historical, and, of course, spooky." —ENTERTAINMENT WEEKLY Named a Most Anticipated Book by Entertainment Weekly • Washington Post • USA Today • Time • O, The Oprah Magazine • BuzzFeed • Harper's Bazaar • Vulture • Parade • HuffPost • Refinery29 • Popsugar • E! News • Bustle • The Millions • GoodReads • Autostraddle • Lambda Literary • Literary Hub • and more! The award-winning author of The Miseducation of Cameron Post makes her adult debut with this highly imaginative and original horror-comedy centered around a cursed New England boarding school for girls—a wickedly whimsical celebration of the art of storytelling, sapphic love, and the rebellious female spirit Our story begins in 1902, at the Brookhants School for Girls. Flo and Clara, two impressionable students, are obsessed with each other and with a daring young writer named Mary MacLane, the author of a scandalous bestselling memoir. To show their devotion to Mary, the girls establish their own private club and call it the Plain Bad Heroine Society. They meet in secret in a nearby apple orchard, the setting of their wildest happiness and, ultimately, of their macabre deaths. This is where their bodies are later discovered with a copy of Mary ' s book splayed beside them, the victims of a swarm of stinging, angry yellow jackets. Less than five years later, the Brookhants School for Girls closes its doors forever—but not before three more people mysteriously die on the property, each in a most troubling way. Over a century later, the now abandoned and crumbling Brookhants is back in the news when wunderkind writer Merritt Emmons publishes a breakout book celebrating the queer, feminist history surrounding the " haunted and cursed " Gilded Age institution. Her bestselling book inspires a controversial horror film adaptation starring celebrity actor and lesbian it girl Harper Harper playing the ill-fated heroine Flo, opposite B-list actress and former child star Audrey Wells as Clara. But as Brookhants opens its gates once again, and our three modern heroines arrive on set to begin filming, past and present become grimly entangled—or perhaps just grimly exploited—and soon it ' s impossible to tell where the curse leaves off and Hollywood begins. A story within a story within a story and featuring black-and-white period-inspired illustrations, Plain Bad Heroines is a devilishly haunting, modern masterwork of metafiction that manages to combine the ghostly sensibility of Sarah Waters with the dark imagination of Marisha Pessl and the sharp humor and incisive social commentary of Curtis Sittenfeld into one laugh-out-loud funny, spellbinding, and wonderfully luxuriant read. " Full of Victorian sapphic romance, metafictional horror, biting misandrist humor, Hollywood intrigue,

and multiple timeliness—all replete with evocative illustrations that are icing on a deviously delicious cake.” –O, THE OPRAH MAGAZINE

While debating literature 's greatest heroines with her best friend, thirtysomething playwright Samantha Ellis has a revelation—her whole life, she's been trying to be Cathy Earnshaw of Wuthering Heights when she should have been trying to be Jane Eyre. With this discovery, she embarks on a retrospective look at the literary ladies—the characters and the writers—whom she has loved since childhood. From early obsessions with the March sisters to her later idolization of Sylvia Plath, Ellis evaluates how her heroines stack up today. And, just as she excavates the stories of her favorite characters, Ellis also shares a frank, often humorous account of her own life growing up in a tight-knit Iraqi Jewish community in London. Here a life-long reader explores how heroines shape all our lives.

Blends autobiographical information about the Texas senator author's own life and family with explorations into the lives of women who have made significant contributions to American history and society, including Red Cross founder Clara Barton, aviation pioneer Amelia Earhart, and Fortune 500 CEO Carlton Fiorina.

It's hard to find females in leading roles as athletes, coaches and owners in sports film story lines. With an abundance of male-focused stories, Hollywood continues to reinforce the association of athleticism with masculinity. Portrayals of women in prominent roles indicate social attitudes and values and--when looked at over time--also show what influence the women's movement has had on cinematic representation and social understandings. This discussion of sports film heroines begins with National Velvet (1944) and ends with Secretariat (2010). It addresses the question of whether these story lines do or do not empower women as characters and role models, while offering alternative cinematic choices that reflect the true and ever-growing history of women in sports.
