"Did rebel angels take on human bodies to fulfill their lust for the "daughters of men"? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews, and Christians but later condemned by both rabbis and Church Fathers. Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch's forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. Fallen Angels and the Origins of Evil takes you back to the primordial drama of Good and Evil, when the first hint of corruption entered a pristine world—earth. Contains Richard Laurence's translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels."

Walking in and under the favor of God Do your prayers, praise, and worship sometimes feel like a routine? Weeks or months may pass with no demonstration of any financial, spiritual, or personal breakthrough. In Opening the Gates of Heaven, Perry Stone shows you how to release the flow of heaven's blessing through both God's revelation and the intervention of angelic messengers. With powerful examples from the lives of biblical characters and current examples from his own life, he reveals: Twelve truths he learned from the greatest prayer warrior The keys to recognizing the gates of heaven What you should do when God says no or delays answers Seven spiritual laws you must follow for answered prayer How to pray through the battle of the firstborn You do not have to be bound by the frustration of empty prayers and miracle-less living. God's desire to meet your needs and to pour out an overflow of blessing is a part of His covenant with you.

Are you prepared for what is about to happen? Giants, Fallen Angels and the Return of the Nephilim will discuss Biblical prophecies of giants on the earth, the Last Days demonic plot of engineering genetic hybrids, and what all of it has to do with Israel and the Middle East. In this book, you will receive answers to these questions and more... Have tribes of giants ever walked this Earth? Why are there massive and precise "prehistoric" megalithic structures throughout the world? Was early man a Neolithic Stone Age caveman or did he receive knowledge from other sources? Are aliens actually fallen angels? Who are the Nephilim, and are they returning to Earth? Discover how important these questions are, from both a personal and global perspective. Read this book and open your eyes to the dangers that await mankind, and humanity's only hope.
