Both comprehensive and highly practical, the DASH-3 is an excellent baseline and continuing assessment. It provides the information you need to start intervention and then tracks progress over time. At intake, the DASH-3 can be used to estimate developmental level, identify strengths and weaknesses, pinpoint skills most amenable to intervention, and suggest appropriate supports.

The en-dash is used to indicate a span of time or a range of numbers: From 2012 – 2014, I was at university. Some publications, such as the Guardian, use the en-dash in place of the em-dash. If you do this, you should put spaces around the en-dash. Further Reading: How to Use Dashes. A Guide to Hyphens and Dashes #8: Quotation Marks
