Championship. Three years later he became the youngest Open Champion of the modern era when he won the first of his five major championships. Ballesteros started Europe's domination of the Majors throughout the 80s and 90s, paving the way for Nick Faldo, Bernhard Langer, Ian Woosnam, Sandy Lyle and Jose Maria Olazabal. His play in the Ryder Cup, fuelled by an intense dislike for Americans, helped restore Europe's pride in the event. Driven by Basque pride and with a fiery Latin temperament, Seve has often let his heart rule his head. Seve is the remarkable story of one of the game's most fascinating characters.

extending way beyond his sport. Here he tells his inspirational story, from his early rejection as a Spurs youth player, right through to his match-winning contributions to successive European Ryder Cup Triumphs. Poulter went from an Assistant Professional staffing the club shop to a global superstar, turning pro when he still had a handicap of 4 but the drive and self-belief to make it to the top. His infectious optimism, will power and flair have ensured he remains one of the biggest names on the tour. As well as insights into the crucial moments in his career, and the life of a professional golfer, he talks about his passions outside the game, including his own riotous brand of clothing. Just as Poulter's appearance on the scene came as a refreshing antidote to a sport that was staid and stuffy, so his own book is as forthright and passionate as Poults himself.

However satisfying his professional accomplishments were, it was his personal triumphs that made him stand out. Those closest to Stewart said his family and faith were what mattered most to him. At his funeral, his wife Tracey described him as a devoted husband and father and a devout Christian.
