Critical Reading Social issue also goes beyond the 25% of the population directly affected.

Common Examples of Social Issues
Social issues are the source of a conflicting opinion on the grounds of what is perceived as morally correct or incorrect personal life or interpersonal social life decisions. Social issues are distinguished from economic issues; however, some issues (such as immigration) have both social and economic aspects. There are also issues that do not fall into either category, such as warfare. There can be disagreements about what social issues are worth solving, or which should take precedence.
