financial and managerial accounting: the basis for business decisions continues to offer a solid foundation for students who are learning basic accounting concepts. Known for giving equal weight to financial and managerial topics, the authors emphasize the need for a strong foundation in both aspects of accounting.

~~Financial and Managerial Accounting: The Ba 16th Edition ...~~

Companies often use management accounting as a support tool for business management. Management accountants provide information relating to a company ' s production operation. Although management accounting focuses on improving the company ' s operations, a few problems can exist with this business function.
