What is a soul? Are miracles real? When the soul is healed, how does the body respond? Throughout history, there have been countless cases of "miracle" healings, unexplainable by modern science. Dr. and Master Zhi Gang Sha has personally healed thousands of patients, usually in front of dozens of witnesses. Hundreds of videos of these healings can be seen on YouTube. But how can these healings be explained? Soul Mind Body Science System is the first book to explore the scientific explanations for why soul healing miracles are genuine. Written with Dr. Rulin Xiu, an expert on string theory and quantum physics who trained at The University of California, Berkeley, Dr. Sha shares, for the first time, the scientific theories that explain why all actions on Earth are guided by the reality of the soul. In Soul Mind Body Science System, the complex and fascinating relationships present between matter, density, information, soul, and consciousness are thoroughly examined. Written for armchair and professional scientists alike, this book makes a significant contribution to the ongoing debate about the true nature of reality. As the lines between "science" and "spirit" blur, this investigation becomes ever more important. The groundbreaking Soul Mind Body Science System is for all readers who have contemplated the fundamental scientific laws of the universe and sought answers beyond those offered by popular science and mainstream faith.

A guide to physical and spiritual health blends sacred wisdom with practical techniques, and combines Eastern and Western medicine to illustrate healing strategies for more than one hundred ailments, from the common cold to diabetes.

In 2006, Dr. Sha published his first major book on soul healing, in which he revealed this one sentence secret: Heal the soul first; then healing of the mind and body will follow. In 2009, the Divine further guided Dr. Sha to create the Divine Soul Mind Body Healing and Transmission System. In this remarkable and uplifting guide, Dr. Sha reveals practical techniques to heal you, your loved ones, pets, relationships, finances, organizations, Mother Earth, and humanity. In addition, Dr. Sha shares deep secrets of traditional Chinese medicine and ancient philosophies and offers step-by-step exercises and easy tips for healing and rejuvenation. This divine soul healing system will teach you how to: • Remove soul, mind, and body blockages. • Receive Divine Soul Mind Body Transplants. • Invoke and practice with Divine Soul Mind Body Transplants. This Special Edition includes a new 5-hour Soul Power Video Series that consists of thirteen illuminating episodes on 3 DVDs. The first DVD explains the importance of clearing soul, mind, and body blockages for self-healing. The second DVD explains Five Elements, a key teaching of traditional Chinese medicine, and how to heal each element of the body. The third DVD shows how the Divine Soul Mind Body Healing and Transmission System and other soul healing tools can be used for universal healing. Each viewer can also receive additional Divine Soul MindBody Transplants as divine gifts. This book offers you the most powerful soul healing available at this time; it is truly a breakthrough divine gift and treasure for humanity.

The holy grail of science is the Grand Unified Theory, a "Theory of Everything" that completely explains our reality. Tao Science is the breakthrough science that provides the missing key in the search for the Grand Unified Theory. Tao is the Source of everyone and everything. Tao Science is the science of the Source and creation. It is the Science of Grand Unification. Tao Science unifies everyone, everything, and every aspect of our lives. This book not only introduces the fundamental theories of Tao Science; it also provides practical applications that can be profoundly transformative.

Does science argue against the existence of the human soul? Many scientists and scholars believe the whole is more than the sum of the parts. This book uses information and systems theory to describe the "more" that does not reduce to the parts. One sees this in the synapses—or apparently empty gaps between the neurons in one's brain—where informative relationships give rise to human mind, culture, and spirituality. Drawing upon the disciplines of cognitive science, computer science, neuroscience, general systems theory, pragmatic philosophy, and Christian theology, Mark Graves reinterprets the traditional doctrine of the soul as form of the body to frame contemporary scientific study of the human soul.

Finally, Dreher provides a critical overview of the social and political context of this research, from the presentations of leading popularizers such as Bernie Siegel and Deepak Chopra, to the experiences of practitioners and patients, to the resistance of mainstream medicine, to the many exciting possibilities suggested by a deeper understanding of how mind and body are inextricably bound.

Millions of people on Mother Earth are suffering from sicknesses in the spiritual, mental, emotional, and physical bodies. Millions of people have limited or no access to healthcare. They want solutions. Millions of people are searching for spiritual secrets, wisdom, knowledge, and practical techniques to transform their physical lives and spiritual lives. The key to physical life includes good health, good relationships, and flourishing finances. The key to soul life is to reach soul enlightenment. Master Sha's Soul Healing Miracles teaches and empowers humanity to create soul healing miracles. Readers will learn sacred wisdom and apply practical techniques. Everyone can create his or her own soul healing miracles. For the first time, The Source Ling Guang (Soul Light) Calligraphy will be offered in a book. These Source Calligraphies carry matter, energy, and soul of The Source, which can transform the matter, energy, and soul of the spiritual, mental, emotional, and physical bodies. This book also reveals The Source Meditation and Source Mantras which are the absolute sacred way for healing, rejuvenation, prolonging life, and transforming all life. The message of Soul Healing Miracles is: I have the power to create soul healing miracles to transform all of my life. You have the power to create soul healing miracles to transform all of your life. Together we have the power to create soul healing miracles to transform all life of humanity, Mother Earth, and all universes.
