Talent, Transformation, and the Triple Bottom Line shows leaders how they can leverage human resources and sustainability to improve business performance. It provides insights and guidance along with strategies, tactics, and tools that business leaders, sustainability specialists, and HR professionals can use to:

Talent, Transformation, and the Triple Bottom Line: How ...

Talent, Transformation, and the Triple Bottom Line also demonstrates how leading companies are using sustainability to strengthen core HR functions: to win the war for talent, to motivate and empower employees, to increase productivity, and to enliven traditional HR-related efforts such as diversity, health and wellness, community involvement and volunteerism. In combination, these powerful benefits can help drive business growth, performance, and results.
