(PDF) Culture and emotion - ResearchGate

The Cultural Politics of Emotion, published in 2004 by Edinburgh University Press and Routledge, is a book by Sara Ahmed that focuses on the relationship between emotions, language, and bodies. Ahmed concentrates on the influence of emotions on the body and the way that bodies relate with communities, producing social relationships that determine the rhetoric of the nation. The book contributes to the growing conversation about emotion in rhetoric and cultural studies and employs a variety of th

The Cultural Politics of Emotion - Wikipedia

In Western or individualist culture, high arousal emotions are valued and promoted more than low arousal emotions. Moreover, Westerners experience high arousal emotions more than low arousal emotions. By contrast, in Eastern or collectivist culture, low arousal emotions are valued more than high arousal emotions.
