Actually, it ' s a new edition of a 1957 book. Russell Kirk ' s Concise Guide to Conservatism in fact was originally called The Intelligent Woman ' s Guide to Conservatism—a swipe at George Bernard Shaw ' s Intelligent Woman ' s Guide to Socialism and Capitalism (1928). This invigorating primer on the history and characteristics of American conservatism is of course suitable for female and male audiences alike, hence Regnery ' s revision of its title.

The Intelligent Homosexual's Guide to Capitalism and Socialism with a Key to the Scriptures is a 2009 play by American playwright Tony Kushner. The title was inspired by George Bernard Shaw 's The Intelligent Woman's Guide to Socialism and Capitalism and Mary Baker Eddy 's Science and Health with Key to the Scriptures.

The Intelligent Homosexual's Guide to Capitalism and ...

The Intelligent Woman ' s Guide to Socialism, Capitalism, Sovietism, and Fascism As a lifelong socialist, Shaw believed that economic inequality was a poison destroying every aspect of human life, perverting family affections and the relations between the sexes.

With great wit and forcefulness, Shaw here presents the conditions under which he thought the world could look forward to the future with hope. This book sets out most completely Shaw's indictment of capitalism as the source of both domestic injustice and international enmity, and his arguments for a socialist egalitarian society as the only society assured a healthy future.

The Intelligent Woman's Guide to On line Dating is two books in one! The first book: "How I Did It" is Dale's story of how she found her Mr. Right on line. It is Dale's own inspirational journey after her 'perfect' 25 year marriage was over (her husband left her for a man) and her joining an online dating service 12 days later. She made her way through thousands of profiles and met hundreds of men (!) until she met her Mr. Right. Flip the book over to reveal Book Two: If I Can Do It, You Can Too! Dale shares how she learned to make the most of online dating and polished her skills and created strategies that really worked. There are tips on everything from the photos, to the profile along with the search, initial contact, response and meeting. Dale offers solid tips on writing that all so important profile—one that works!

The Intelligent Woman ' s Guide to Socialism, Capitalism, Sovietism, and Fascism As a lifelong socialist, Shaw believed that economic inequality was a poison destroying every aspect of human life, perverting family affections and the relations between the sexes. According to him, all British institutions were " corrupted at the root by pecuniary interest " – and idealism, integrity and any piecemeal attempts at political reform were futile in the face of the gross injustice built into the Empire ' s economic system. Begun in 1924 – the year of the British Labour Party ' s first period of office under Ramsay MacDonald (who hailed it as " the world ' s most important book since the Bible " ) – and first published in 1928, The Intelligent Woman ' s Guide draws on Shaw ' s decades of activism and remains a brilliant, thoughtprovoking classic of political propaganda.

Challenging perceptions that smart women are at a disadvantage when looking to marry, a guide for single intellectuals shares step-by-step instructions and practical advice on how to find a satisfying, long-term partner. Original. 30,000 first printing.

Smart women understand that taking care of their health is essential to maintaining an active lifestyle. This comprehensive guide shows you how to work with your body instead of against it to stay healthy and happy through menopause and beyond. Written by two practicing doctors who have been close girlfriends since they met during medical training at the Johns Hopkins Hospital, The Smart Woman's Guide to Midlife and Beyond includes the doctors' own personal experiences, patient stories from their medical practices, and all the information you need to age with good health, grace, and humor. Includes the information you need to: Care for your whole body to prevent common diseases Learn which health issues are normal, which are serious, and what to do about them Overcome memory loss, depression, and anxiety Understand menopause and hormone replacement therapy Nourish and protect your skin and hair Choose the right vitamin supplements for you Find out whether or not treatments like massage and acupuncture will work for you Know when to share your concerns with your doctor or healthcare practitioner Create a personal Health Maintenance Schedule to keep your health on track The Smart Woman's Guide to Midlife and Beyond is a complete, holistic, and state-of-the-art road map for any woman who is motivated to become a more effective steward of her health. The authors' relaxed, personal, and insightful style makes critical health information accessible. This book is a must-have for any woman inspired to improve her health trajectory. -Mark C. Pettus MD, FACP, medical director of the Kripalu Institute for Integrated Healing and author of It's All in Your Head There is no doubt that women past the age of fifty have different health issues than younger women-a fact often overlooked by many physicians. These women need to know how to care for their maturing bodies. Drs. Horn and Miller explore the full spectrum of mature women's health issues in a candid, conversational manner that integrates the body, mind, and spirit. A much-needed book. -Kevin Soden, MD, host of Healthline on Retirement Living Television I have often wished that there were a doctor in my family I could ask for health advice. If you have shared this desire, you'll love this book. It's a practical insider's guide to what maturing women need to be thinking about, and it's written as though the authors were concerned friends talking with you. Drs. Horn and Miller have superb training and years of practical experience caring for women patients. It shows on every page of this excellent book. -Judge Glenda Hatchett, star of the nationally syndicated television program Judge Hatchett The authors' approach is accessible and entertaining. These are the doctor girlfriends you want to call because they know everything about the area of your concern-not only from their medical practices, but also from their own personal experiences. -Robin Wolaner, founder of Parenting magazine and founder and CEO of TeeBeeDee (tbd.com), an online network for people over forty This is the girlfriends' guide to taking charge of your health. And these girlfriends are doctors. A winning combination! -Ari Brown, MD, pediatrician and author of Baby 411

As an intelligent woman, you are probably used to learning as much as you can before making major decisions. But when it comes to one of the most important decisions of your life—how you will give birth—it is hard to gather accurate, unbiased information. Surprisingly, much of the research does not support common medical opinion and practice. Birth activist Henci Goer gives clear, concise information based on the latest medical studies. The Thinking Woman's Guide to a Better Birth helps you compare and contrast your various options and shows you how to avoid unnecessary procedures, drugs, restrictions, and tests. The book covers: Cesareans Breech babies Inducing labor Electronic Fetal Monitoring Rupturing Membranes Coping with slow labor Pain medication Epistiotomy Vaginal birth after a Cesarean Doulas Deciding on a doctor or midwife Choosing where to have your baby and much more . . .

The income gap between women and men has gotten lots of attention in the last few decades: today women earn seventy-nine cents for every dollar men earn. But fewer people are aware of the much more serious wealth gap: for every dollar in wealth men own, women own thirty-two cents. Thirty-two cents! Wealth matters. Wealth is what gives us a financial safety net when we lose our jobs, break up a relationship or divorce, we or our dependents become sick, or when we are hit by some other financial crisis. It enables us to build security, to give our children a future, and to retire. It is passed from generation to generation, allowing wealthy families to stay wealthy over time. Wealth can generate income, whether through investments in the financial markets, or real estate, or through funding a startup business, and more. Significant wealth even allows us to influence our world by allowing us to contribute to political campaigns and policy initiatives. For these reasons, wealth is a better indicator of financial status than income: it reveals who is secure and influential and who is not. By treating women and men equally without recognizing the gross social and economic advantages that differentiate us, the law perpetuates the wealth gap. Here, Carla Spivack takes readers through a tour of a woman ' s life stages and the property laws that may apply and hinder their financial independence. From living together to marriage, from divorce to inheritance, the circumstances invite unfair treatment that leaves women out in the cold. Understanding how to protect your assets, fight for what is fair, and increase financial security is increasingly important as the wage gap continues to flourish. Readers will learn about the laws that work against them and how to protect themselves regardless of their relationship status. For all women of all ages, here is your guide to keeping your wealth not matter how your relationship fares.

What does a woman want to do when she retires? Travel? Pursue hobbies? Spend time with friends and family? We all have dreams about what those days will be like. But when it comes to turning those dreams into reality, women's retirement confidence and know-how is low. According to a 2012 survey, 92 percent of women of all ages in this country don't feel they're educated enough to reach their retirement savings goals. For the woman who doesn't know where to start or would like a knowledgeable guide who speaks her language, financial expert Mary Hunt offers a comprehensive but approachable resource for saving and planning for retirement. Whether she feels entitled to retire at age 65, hopes she'll be able to stop working someday, or is convinced she'll never be able to retire, every woman will find real help in these pages. With her signature no-nonsense, energetic style, Hunt assures women that it's only too late if they don't start now. She clearly covers every aspect of retirement planning during every season of a woman's life, giving women the confidence they need to shape their futures.

An imaginative story of a woman caught in an alternate world—where she will need to learn the skills of magic to survive Nora Fischer ' s dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend ' s wedding, Nora wanders off and walks through a portal into a different world where she ' s transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It ' s almost too good to be true. Then the elegant veneer shatters. Nora ' s new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real ally—and a reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel ' s student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her " real life " against the dangerous power of love and magic. For lovers of Lev Grossman's The Magicians series (The Magicians and The Magician King) and Deborah Harkness's All Souls Trilogy (A Discovery of Witches and Shadow of Night).
