The Princess and the Suffragette It is 1913, and young women are ready to change their lives. All across London, women are uniting in their desire for a voice, for a vote. The Princess and the Suffragette is a really good continuation novel to Frances Hodgson Burnett's A Little Princess. I enjoyed having an older Lottie as the central character and how Sara was there but in the background. It weaves the suffragette movement as witnessed by Lottie which I thought was done in a great way.
