Acces PDF United States History And Geography

The term "United States", when used in the geographical sense, is the contiguous United States, the state of Alaska, the island state of Hawaii, the five insular territories of Puerto Rico, Northern Mariana Islands, U.S. Virgin Islands, Guam, and American Samoa, and minor outlying possessions. The United States shares land borders with Canada and Mexico and maritime borders with Russia, Cuba, the Bahamas, and other countries, in addition to Canada and Mexico. The northern border of the United St

Geography of the United States - Wikipedia

The United States of America is one of the largest countries in the world based on both population and land area. It has a relatively short history compared to other world nations and has one of the world's largest economies and one of the world's
