During the 19th century,
London grew

enormously to become a
global city of immense
importance. It was the
largest city in the world
from about 1825, the
world's largest port, and
the heart of international
finance and trade.

Railways connecting
London to the rest of

Read Online Warehouse And Britain, as well as the London Underground, were built, as were roads, a modern sewer system and many famous sites.
