Focused on building linguistic skills and comprehension through creative introductions to contemporary life and cultures in German-speaking countries, WIE GEHT'S? Tenth Edition exposes students to the German language, while encouraging cultural awareness and the acquisition of a functional vocabulary that effectively prepares them to continue their study of German. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Wie geht's? is an Introductory German program that has proven itself to be the one of the leading German programs in the country. Over 250,000 students have learned German with Wie geht's? and it's no surprise why teachers adopt this program -- plainly put by its users, IT WORKS!! This new edition boasts a host of new program components: the new text-specific Wie geht's video; a new text-specific Wie geht's? Multimedia CD-ROM; the all new Wie geht's? World Wide Web Site; the new text-specific Wie geht's Dasher Tutorial Software. Also, with the recent changes in the German speaking world, the German spelling reform has been fully integrated into this new edition. The goal is simple with Wie geht's. It presents a well-integrated package of material that focuses on speaking, listening, reading, writing, and comprehension, combined with an introduction to life and culture in German-speaking countries today. The approach is student-oriented and is manageable and up-to-date. Students will communicate in meaningful ways after only one year and will also be provided with significant cultural insight.

WIE GEHT'S?, one of the most popular Introductory German programs in the country, shows students how the German language actually works, while encouraging cultural awareness and the acquisition of a functional vocabulary that effectively prepares students to continue with their study of German. In the Seventh Edition, students have even greater opportunities for communicative practice, with updated cultural material that discusses the exciting and dramatic changes in German-speaking countries during the past few years. The audio CD included with every new student copy of the book helps students improve their listening comprehension of structures and vocabulary as well as their pronunciation.

With an emphasis on culture, this introductory program shows how the German language works. Reading selections and exercises help develop the five skills.
