Virgil First Raise wakes with a shiner and a hangover in a roadside ditch on the stark but beautiful plains of Montana. As he rises to face the day he sees a vision of his father lying dead at his feet. Impossible-- his father froze to death in a snowdrift years earlier. Virgil returns home to find that his wife, Agnes, has left him.

Winter in the Blood - Wikipedia

Winter in the Blood de James Welch est un excellent roman. Son histoire est belle et touchante, bien écrite, et si certains y voient une des plus belles oeuvres de littérature américaine qui soit, les autres veront une parfaite histoire à propos de la nature humaine. On ne peut le recommander qu'à tous les lecteurs de romans.

Winter in the Blood is a 2013 American film written and directed by brothers Alex Smith and Andrew J. Smith and produced by Native American author Sherman Alexie. The film was based on the debut novel Winter in the Blood (1974) by noted author James Welch, who was a leader of the Native American renaissance in literature.

Winter in the Blood (film) - Wikipedia

Winter in the Blood appealed to me in the first few paragraphs, because the setting is one with which I'm very familiar. The bleak panorama that is north central Montana is almost a supplementary character in Welch's novel. But this sense of place almost instantly gave way to a disconnect that nonetheless was not without charm.
